THROUGH THE REVENUE COMMISSIONER IN MYSORE BANGALORE

Sir

I have the honour to forward herewith for favour of orders of Government an application from Mr H M Khaja Mohiyuddin, Village Panchayet Inspector of the Hassan Taluk and now acting as Sanitary Inspector of the Alur Municipality praying for his absorption as a Sanitary Inspector permanently

2 From the previous records available in this office, it is gathered that Mr Khaja Mohiyuddin entered Government Service in 1918 and was appointed as Sanitary Inspector in 1919 In 1923, the post of the Frontier Sanitary Inspector of the Manjarabad Taluk, which he then held, having been abolished, he was appointed as Sanitary Inspector of the Saklespur Municipality as per orders of Government, conveyed in the Local and Legislative Secretary's letter No L 3025/ Sanitary 14-22-44 dated 15-11-23 - But the Municipal Council of Saklespur having some time thereafter pleaded their inability to have a high paid Sanitary Inspector under them, the President of the Hassan District Board seems to have been requested by the then Deputy Commissioner to employ Mr Khaja Mohiyuddin under the District Board and spare the services of a low paid hand in his stead to the Saklespur Municipality Accordingly, he passed a resolution (M-B and Annexure) No 27-24 dated 11-7-24 (copy enclosed), transferring Mr Khaja Mohiyuddin, to the Hassan Taluk Board and appointing One Narayana Raju, an applicant for Sanitary Inspector on probation till the end of the ordinary

said memo are very clear and show that Mr Khaja Mohiyuddin's transf from the Saklespur Municipality was absolutely a permanent arrangere and ever since then, he was wholly employed under one or other of the Taluk Boards under the control of the District Board till the end of January 1927 when his services were dispensed with by the District Board consequent upon the abolition of the Taluk Boards and retrench ment of the posts of Sanitary Inspectors attached to them On beir thus thrown out of employment, Mr Khaja Mohiyuddin along with the other four marginally noted Sanitary Inspectors, whose services also were simultaneously dispensed with by the District Board, was appointed as Village Panchayet Inspector as per orders of Government conveyed in No L 3059-11-24/L B 25-26-14 and L 3656-704/L B 119-26-1 dated 12-11-26 and 20-12-26 respectively, with effect from 1st February 1927, and he having represented to me that he could not do much touring work on account of his ill-health, I transferred him as acting Sanitary Inspector of Alur Municipality with effect from 8 th August 1928 and he is continuing in the said post He now contends that the subsequent orders of the President of the District Board, directing his transfers from one Taluk Board to another after he was disturbed from the Saklespur Municipality, was only a temporary arrangement and that he still retains a lien on his appointment as Sanitary Inspector in the Saklespur Municipality and prays that he may therefore be absorbed as Sanitary Inspector permanently either in the place in which he is now acting or anywhere else But he is junior to both the other two thrown out Sanitary Inspectors, Messrs B S Ramanujiengar and J K Ramaiya who have no permanent places at all but are now working as terporary Village Panchayet Inspectors and their cases will have also to be considered before Mr Khaja Mohiyuddin could be permanently absorbed in a permanent place

Mr B S Ramanujaiengar
Mr J K Ramaiya
Mr M Srinivasaiya
Mr D Sivaramaiya

J K

3 There is no vacancy of the Sanitary Inspector's-post anywhere in the District The vacancy in which Mr Khaja Mohiyuddin is now acting and wants confirmation is one caused by the deputation

(6)

deputation of Narayana Raju referred to above, who has continued in service as Sanitary Inspector since May 1924, on other duty Further the Saklespur Municipal Council having passed a resolution recommending the abolition of the Sanitary Inspector's post in their unicipality, the question has been remanded to the Council for reconsideration and is pending their final decision for some time, and in case they persist in their resolution and the post has to be abolished, Suryanarayana Setti, who is a permanent Sanitary Inspector and has been now working there, will have to revert to the Alur Municipality, where he has a permanent lien on his post Besides, Narayana Raju's continuance as Sanitary Inspector of the Saklespur Municipality having been reported to Government, they have approved of the same in their order No L 6061-2/M L 16-23-C2 dated 18-3-26 and as he has been continuing in service for more than 5 years, which is a pretty long time, his case for confirmation also deserves favourable consideration

4 In these circumstances, it is not possible to grant Mr Khaja Mohiyuddin's request and absorb him as a permanent Sanitary Inspector in the place in which he is now acting, in as much as there are no vacancies anywhere in the District But, however, I think that it would be very hard for him and the other five people referred to above viz , Messrs (1) B S Ramanuja Iyengar, (2) J K Ramaiya (3) Srinivasaiy (4) Sivaramaiya and (5) Narayana Raju to be without a substantive post for any length of time or to be told that they have no appointments after they have put in a long service In view of this fact and the fact that the posts of Village Panchayet Inspectors have been sanctioned only for the current official year and may not be continued any further, I request that Government may be pleased to direct the absorption of theses Six officials at the earliest opportunity in the vacancies of Sanitary Inspectors that may occur in the near future or by increasing the number of Sanitary Inspectors under the District Board as before

5 In this connection, I may mention that in dispensing with the services of the Sanitary Inspectors in connection with the abolition of the Taluk Boards and retrenchment of establishment fro 1st February 1927, the Hassan District Board do not seem to h

been guided by any principle in selecting men for employment under the According to your letter o L 5210-25/L B 11°-26-17 dated 31st January 1927, Sanitary Inspector's drawing a pay much above or much below ₹ 60/- had to be continued and others disbanded, and if this principle had been followed the following inspectors should have be retained,

	Pay	Length of service	Date of appointment as Sanitary Inspector
K Sitararalengar	₹72	1-11-1906	23-6-1908
J K Ramaiya	₹49	30-1-1918	30-1-1919
or

H V Srinivasaiya	₹45	11-3-1920	11-3-1920

and the others thrown out as per details noted in the margin,

C N Krishnaswami Rao	₹59	27-12-1899	7-1-1917
K S Subba Rao	₹51	22- 1-1919	1-2-1924
J K Ramaiya	₹49	30-1-1919	30-1-1919
or			
Khaja Mohiyuddin	₹49	2-3-1918	5-4-1919

Dharanappa, ho had no permanent place in this District

but instead the following were retained

K Sitaramaiengar	₹72	1-11-1906	23-6-1908
C N Krishnaswami Rao	₹59	27-12-1899	7-1-1917
K S Subba Rao	₹51	22- 1-1919	1-2-1924

H A Dharanappa, who had no permanent place at all in this District

It may be noticed that Khaja Mohiyuddin was one of the oldest and should have been preferred to them that had been employed later Dharanappa who was by far junior to all other Sanitary Inspectors an had no permanent place at all in this District was employed This H A Dharanappa, has put in only about 6 years of service and was dr ing ₹41/- at the time He was a man of the Shimoga District but taken on transfer to this District and kept on under the employ of t District Board in some acting vacancies since about 1°25 The President of the District Board having moved this office for his appointment as Sanitary Inspector of the Saklespur Municipality in preference to Narayana Raju referred to above, the then Deputy Commi sioner, Mr R Nanasamy Rao, declined to approve of the proposal of the District Board President and pointed out to him more than once that Dharanappa's appointment was not in accordance with the Centra Recruitment Board Rules Inspite of this, he was continued in acti vacancies and finally provided with a permanent place as stated abov His appointment as well as the appointments of the other three San

Sanitary Inspectors now employed under the District Board seem to have been approved by Government, and I think that this office letter No C 1029-26 dated 27-1-1927, on the subject did not fully consider the claims of all the others, his seniors I request therefore that the orders of Government passed in this behalf ay be suitably modified to ensure a more equitable dispensation

I beg to bring the following few lines into your kind consideration with a hope to meet with success

I joined the Government service in the year 1918 as a Village Improvement clerk on a pay of Rs 15/-, and in a course c four months I was selected by the Deputy Commissioner for Sanitary Inspector's training class and admitted there as a free student After undergoing training for a period of six months I successfully passed in the examination In the year 1919, I was appointed as a sanitary inspector(sub-protem) on a pay of Rs 30/- plus 10/- and posted to Holenarsipur Taluk Board in the vacancy caused by the resignation of one Nagendra Rao, then sanitary inspector of Holenarsipur Taluk In the same place I was transferred to town municipality and stopped there for about three years in all

While serving in the Holenarsipur town municipality I was confirmed as Frontier Sanitary Inspector on plague duty at Manjarabad(instead of being confirmed in the place vacant, i e, Holenarsipur Taluk Board) and continued to work at Holenarsipur In the interests of the public service I was transferrd to Arkalgud in the year 1921, and worked there till the e end of August 1923 In the meantime the post which I held permanantly was abolished by the government and I was transferred to Manjarabad in a leave vacancy The President District Board under whom I worked made a recommendation to the Govt on my behalf and they in their order dated 15th November 1 23, requested the Deputy Commissioner to provide me with a sanitary inspector's post newly sanctioned by the Government to the Saklaspur municipality

communication was sent to the
nt ,Distr Board who in his D O dated 18-11-23, to the

the Vice president, Saklaspur municipality, requested to take me on duty from 19th November1923, on which my acting appointment was ceased Besides, the copy of the Government also was forwarded to the President Saklaspur Municipality, which was placed at their meeting held on 21-12-1923, and was recorded Copies of the above communications are herewith submitted for ready reference (10)

While serving in the municipality, orders transferring me to Hassan Taluk and appointing one G Narayana Raju(an applicant for the sanitary inspector's post and in whose place I have been now posted to Alur as acting Sanitary Inspector), were recieved

I again by a memo dated 29-11-1924 passed by the President District Board, was transferred to Holenarsipur Taluk (within six months) The wordings of the memo are as follows,- " Khaja Mohiyudain, Sanitary Inspector(permanant Saklaspur municipality) and now doing duty as Sanitary Inspector Hassan taluk is transferred to Holenarsipur taluk " In the same memo orders were also passed dispensing with the services of G Narayan Raju, and appointing one Dharanappa instead Copy of the memo is enclosed herewith

At Holenarsipur, I, for the second time, stopped for a period of six months, and posted again to Hassan taluk and continued there till the abolition of the Taluk Boards In the Retrenchment my appointment was thrown out and I was appointed as Village Panchayet Inspector, Hassan taluk, temporarily

To my misfortune, I sufferred from Typhoid fever for about three months and in consequence I was not able to do any hard out-door work, and prayed for relief by giving me a transfer to any of the municipalities To this representation of mine, I was posted to Alur municipality, where Iam at present working A copy of the memo thus appointing me is also enclosed

I have placed before you ,Respected Sir, my history of services as narrated above You will be pleased to see from the refeterences herewith submitted, that I was already confirmed as Sanitary Inspector, and I cannot therefore be construed to be acting in the place of an incumbent who is far junior and without a permanant appointment I crave your mercy to go through th e

the record and provide me with a permanant footing of the Sanitary Inspector, either at Alur or elsewhere - -

For which act of kindness, I shall ever be grateful to you, and pray Almighty for your long life and prosperity

I beg to remain,

Respected Sir,
